HOUSING

Tenancy Policy

1. Purpose and Scope

1.1 This policy sets out for customers, staff and local authorities the range of tenancies that Clarion Housing Association (Clarion) may grant for each type of housing. It applies to all Clarion rented accommodation including: general needs (social and affordable rent), Rent4Less, Intermediate rent products, retirement, supported, key worker and temporary housing.

1.2 It is intended to give general guidance on the tenancies that will typically be offered for each type of housing, but given the range of properties that Clarion manages, the wide geographical area it operates in and the variations in local authority tenancy strategies and allocations policies, other options may be used where it is appropriate to do so.

1.3 The policy does not apply to market rent, shared ownership, and properties for outright sale.

2. Policy Objectives

2.1 This policy aims to:

- provide clarity on the circumstances in which we will grant each type of tenancy
- offer tenancies which make the most efficient use of our housing stock and which are compatible with the purpose of the accommodation
- make the best use of our stock to increase the number of people we are able to house
- support tenants to remain in their home if their need for the size and type of property continues to exist when the tenancy is subject to review
- contribute to local authorities strategic housing function
- comply with the social housing regulators Tenancy Standard (see section 8)

3. Policy Statement

3.1 Clarion will let the majority of its properties either with an Assured periodic 'lifetime' tenancy or a fixed-term tenancy depending on the size of the property and the local housing market conditions. We aim to be responsive to the wide range of housing needs and demand, and be flexible in ensuring we make the best use of our homes, letting them as quickly as possible to those in housing need. In areas where demand is low or we have difficulty letting a property, for properties that we would normally offer a fixed term tenancy for we will consider the use of Assured periodic tenancies where that can achieve a successful letting.

3.2 Where we offer a fixed term tenancy, the usual period in general needs properties for the initial let is six years, including a probationary period of 18 months. The tenancy will be reviewed at 12 months and the probationary period will only continue to 18 months if there have been breaches of the tenancy terms and conditions. Provided they have been kept, at the end of the probationary period the tenancy will continue for the remainder of the 6 years. The rent will be reviewed annually.

3.3 We expect tenants to honour their tenancy obligations, pay the rent, look after the property and respect their neighbours. If at the end of the fixed term a tenant has met their obligations and their financial, family and social circumstances have not significantly changed, we would expect to offer a further fixed term tenancy of 5 years. There is no limit to the number of times a further fixed term tenancy can be offered. Details of how we will conduct this assessment and the reasons we may not offer a further tenancy are set out in Clarion's Fixed Term Tenancy Review Policy.

3.4 In some circumstances where we'd normally offer a fixed term tenancy, a shorter term of no less than 2 years may be used where it would be more appropriate to do so; for example where a property is part of a scheme earmarked for early regeneration; where the applicant has limits to their leave to remain in the UK and/or their right to rent; where there are questions about the long term suitability of the property for the tenants needs, for example at the end of fixed term tenancy review where no suitable alternative property is available at the time but is likely to become available or where the tenant is still repaying rent arrears; where tenancies are re-granted through mutual exchange and the tenant has fewer than two years remaining on their tenancy.

3.5 We will comply with the regulatory requirement to maintain the security of tenure of existing tenants with a lifetime tenancy and a social rent who transfer to another social rent home, by offering another lifetime tenancy.

3.6 Tenants who are required to move by Clarion and are permanently decanted will not lose their security of tenure.

3.7 Where pre-existing contractual arrangements are in place that affects the tenancy type that can be offered (for example under section 106 agreements, conditions of grant funding, or as part of stock transfer promises) this will take precedence over the commitments given in this policy, unless variations are agreed with the relevant local authority or partner to the contract. Variations may also occur as part of Local Lettings Plans agreed with the local authority to address local housing market issues.

4.0 Tenancy Type by Rental Product

The tenancy type to be offered for each type of housing is set out below. Where Clarion decides to discontinue, dispose of or redevelop any type of housing the appropriate notices and grounds for possession will be given to bring the tenancies to an end. A description of each tenancy type that Clarion may offer is set out in Appendix 1 to this policy.

4.1 General Needs

4.1.1 For new tenants in general needs housing we will offer the following tenancies:

- Studios, 1 bedroom or 2 bedrooms - periodic Assured tenancy
- 3-bedrooms or more - 6 year fixed term tenancy. The 6-year fixed term tenancy will include a probationary period that can run up to a maximum of 18 months.

- In lower demand areas where there are difficulties letting a property, a periodic Assured tenancy can be offered for any size property as part of a local lettings plan or with approval of the Head of Housing/Operations.

Transferring tenants to social rent general needs properties

4.1.2 Existing housing association and local authority tenants with Assured 'lifetime' tenancies who transfer to a general needs **social rent** property will be offered a periodic Assured tenancy (with the exception of existing Clarion Secure tenants who will be offered a Secure tenancy).

4.1.3 Existing housing association and local authority tenants who have a fixed term or fixed term 'flexible tenancies' will be offered a periodic Assured 'lifetime' tenancies where they are transferring to a general needs **social rent** property with less than 3 bedrooms. For general needs **social rent** property with 3 bedrooms or more a 5-year fixed term tenancy will be offered unless it's in to an area with a Local Lettings Plan as stated in 4.1.1.above.

4.1.4 Those transferring to retirement housing will be offered a periodic Assured tenancy.

4.1.5 Those with protected rights (i.e. former LSVT tenants) will have their preserved rights maintained.

Transferring tenants to affordable rent properties

4.1.6 Existing housing association and local authority tenants who transfer to a Clarion **affordable rent** general needs property with less than 3 bedrooms will be offered an Assured tenancy.

4.1.7 Existing housing association and local authority tenants who transfer to a Clarion **affordable rent** general needs property with 3 bedrooms or more will be offered a 5-year fixed term tenancy unless it's in to an area with a Local Lettings Plan as stated in 4.1.1 above. Clarion's offer of housing in such circumstances will be conditional on the tenant serving a form 8 notice as required under schedule 2a (paragraph & (2)) of the Housing Act 1988 to confirm that they accept the change in the tenancy type.

4.1.8 The exception to the above is where a tenant with a 'lifetime' tenancy has chosen to move to a property with fewer bedrooms as a result of the loss of the spare room subsidy. In these circumstances we will offer a periodic Assured tenancy.

4.2 Older People's Housing

For older people's housing including Livesmart schemes, we will offer a 12-month Starter Tenancy in the first instance, with the option of extending it up to a maximum of 18 months in accordance with Clarion's Starter Tenancy Procedures. Following a successful probationary period, the tenancy will convert to an Assured (non-short hold) Tenancy.

Existing housing association and local authority tenants who transfer to a Clarion retirement property will not be required to have another probationary year and will be offered an Assured (non-short hold) tenancy.

4.3 Extra Care Housing

Where Clarion provides extra care housing, either directly or in partnership with specialist care agencies providing personal care, we will normally offer an Assured tenancy for a single occupant and for couples where both tenants have extra care needs. Where only one person in a couple requires the extra care or there are concerns about future requirements for the service, we will at our discretion offer an Assured Shorthold Tenancy. This will continue indefinitely providing that the tenant(s) require the level of care provided, the funding for the service is available and the tenancy conditions are maintained.

4.4 Supported Housing

For supported accommodation where it is intended for use for a limited period of time while the tenant has support needs, we will use an Assured Short hold Tenancy or a licence where it is intended as short term, specialist supported accommodation.

4.5 Rent4Less

For Rent4Less properties, once satisfactory credit checks and references are obtained and a 4 week deposit has been paid, we will offer a 6-year fixed term tenancy with a probationary year.

4.6 Key Worker Accommodation

For those who qualify for key worker accommodation, we will usually offer a periodic Assured Short hold Tenancy unless the contract or nomination agreement with the NHS stipulates otherwise. A deposit of 4 weeks rent is required.

4.7 Intermediate rent e.g. rent to home buy

For intermediate rent properties, once satisfactory credit checks and references are obtained and a 4 week deposit has been paid, we will offer an Assured Short hold Tenancy (AST) for up to two years unless any pre-existing contractual agreements require anything different (for example conditions of grant funding) as this will take precedence. Where the product type is intended to assist residents to move on to other products such as shared or home ownership we will usually expect the tenant to purchase a property or move homes.

4.8 Properties subject to Regeneration Plans

We will use a periodic Assured Shorthold Tenancy for an initial period of two years where a scheme has been earmarked for regeneration. The use of shorter tenancies for such schemes will need to be approved by the Regional Director.

4.9 Properties used for temporarily Decanting Tenants

If we are required to decant a Clarion tenant on a temporary basis to fulfil our landlord obligations we will use a Temporary Tenancy that does not provide any security of tenure. The tenant will retain their main tenancy and rent will be charged at their principal address.

4.10 Temporary Accommodation for Homeless Households

Where we house people referred by a local authority pending enquiries into their homelessness application under the Housing Act 1996 we will use a contractual (non-assured) tenancy if the local authority has not determined whether they have a duty under the Act. This will be converted to a periodic AST at 12 months after the tenancy start date or at the date the duty is determined. If the local authority duty has been determined at the time of sign up we will offer a periodic AST which will continue until permanent rehousing is found.

4.11 Special Projects

Where we directly let properties for projects such as rough sleepers, we will offer a periodic non assured (contractual) tenancy, or where the intention is only to allow occupation on a short term basis of less than 6 months we will use a licence e.g. some very specialist short term accommodation including supported housing, homeless hostels and refuge accommodation, or where supported housing is not self-contained.

4.12 Non Residential Property

For properties such as garages we will use a Licence agreement to allow occupation without any security of tenure. For community halls available for hire we may use a hirer's agreement, licence or lease depending on the length of the agreement, the intended use and the type of property.

5. Minors (16 and 17 year olds)

5.1 Clarion will house 16 or 17 year olds where they have a guarantor who can ensure that rent can be fully paid and who is able to sign a periodic Assured Shorthold Tenancy on behalf of the minor until they turn 18 years of age. At that point the tenancy will be reviewed and a new tenancy may be offered in line with this policy.

6. Appeals

If a tenant believes that they have not been offered or granted the correct type or length of tenancy as outlined in this Tenancy Policy, they can make an appeal for the decision to be reviewed. The appeal must be in writing (email or letter). Information on appeals will be provided to tenants at the beginning of their tenancy, where a further tenancy is being offered or the tenancy is being terminated at the end of the fixed term. Where a tenancy has started, any request to review the type of tenancy awarded should be made within 3 months of the tenancy start date.

A tenant may appeal against:

- the type of tenancy being offered
- the length of fixed term being offered
- a decision not to grant another tenancy on the expiry of the fixed term

All appeals will be decided within 14 days.

6.1 Appeals against the Type or Length of Tenancy

These appeals will be considered by a Head of Operations/Housing who wasn't involved in the original decision. The review will consider the tenants' representations, the application documentation, any applicable nomination agreement and a review of the CRM process to establish why that type and/or length of tenancy was offered. If they find that the tenancy offered is in breach of this Tenancy Policy the appeal will be upheld and a new tenancy will be granted.

6.2 Appeals against ending Fixed-term Tenancies

At least 6 months before the end of the fixed term tenancy, the tenant(s) will be served a 'minded to' notice if Clarion is considering not offering a further tenancy at the end of the fixed term period, and they will be informed of their right to appeal. A Notice of Requiring Possession (a section 21

notice) will also be served 2 months before the end of the fixed term. Any tenant who has been informed that their tenancy is to be terminated and a further tenancy is not being offered, can appeal against that decision. See the End of Fixed Term Tenancy Reviews Policy for the appeal process details.

7. Key Legislation

- The Housing Act 1988 (as amended) – stipulates the tenancies that Housing Associations can offer and the notice required from tenants who are offered another tenancy with less security of tenure e.g. from an Assured to an Assured short hold fixed term.
- The Localism Act 2011 – relates to the rights of Secure tenants transferring to another property.
- The Welfare Reform and Work Act 2016 sets out the definitions for each type of housing.

8. Compliance

This policy complies with the regulatory requirements of the social housing regulators Tenancy Standard by setting out:

- the length of terms for fixed term tenancies
- any circumstance in which we would grant a tenancy of less than 5 years in general needs housing following any probationary period
- the circumstances in which we may or may not grant another fixed term tenancy in the same or another property
- how we will take account of the needs of vulnerable household
- how the tenant/ prospective tenant can appeal against the type of tenancy offered, the length of the fixed term offered and/or the decision not to grant another tenancy on the expiry of the fixed term

Aspects of the Tenancy Standard that relate to circumstances in which a fixed term tenancy will not be renewed are addressed in more detail in Clarions Fixed Term Tenancy Reviews Policy.

Compliance with this Tenancy Policy will be monitored by random reviews by Available Homes Managers of offer letters, and by periodic internal audit. Decisions to end fixed term tenancies will be reported on quarterly by the Customer Support Manager and reviewed by Heads of Customer Support and Housing./Operations.

9. System Entities and Process Flows

This policy relates to the Lettings and Allocations entities and process flows where the correct tenancy type should be selected for marketing and letting a property based on this policy.

APPENDIX ONE: Tenancy Types

Tenancy Type	When it is Used	Review/Termination by Landlord
Starter Tenancy		
These are a form of assured short hold tenancy that Clarion will use for an initial 12 month period. They can be extended up to 18 months where there have been breaches of tenancy.	For older people's housing including Livesmart schemes	They may be ended by serving a valid Notice Requiring Possession (s.21 HA 1988) with two months' notice of intention to terminate This is mandatory possession and not at the discretion of the court. Or Notice of Seeking Possession Housing Act 1988 (amended) Sch. 2 Grounds for Possession. If the tenancy is not ended by the serving of the relevant notice towards the end of the probationary period, it will be converted to an Assured (non-short hold) tenancy.
6 year Fixed Term Tenancy

Used for general needs lets in properties with 3 or more bedrooms to new tenants unless there is a local letting plan or agreement to use a periodic Assured tenancy. Also used for Rent4Less properties.	During the probationary period, the tenancy break clause can be invoked by serving a Break Notice that effectively ends the fixed term and the tenancy reverts to a periodic AST that can then be brought to an end by serving a Notice Requiring Possession (s21) . Once a break notice has been served the fixed term cannot be reinstated. Once the probationary period has been completed, a Notice of Seeking Possession Housing Act 1988 (amended) Sch. 2 Grounds for Possession (except Grounds 6 & 9) can be used during the tenancy. At end of tenancy review, a ' Minded to ' Notice at six months and Notice Requiring

Clarion may use the mandatory grounds for possession for rent arrears and certain criminal ASB. Protected Assured tenancies can be ended in the same way as Assured tenants, taking into consideration contractual details of the tenancy agreement e.g. the mandatory

There must be Police confirmation of the domestic abuse and Head of Housing/Operations approval is required. LA consent may also be required where they have 100% nomination rights.</p>	<p>Ground 8 cannot be used on some stock transfer tenancies</p>
<p>Secure Tenancy</p>		
<p>These are older lifetime tenancies most commonly used by Councils before the introduction of flexible tenancies in 2012 but also relate to housing association lettings before 15th January 1989.</p>	<p>We will not grant new Secure tenancies unless an existing tenant is legally entitled to a further Secure tenancy e.g. existing Secure Clarion tenants transferring to a new home within Clarion Housing.</p>	<p>The tenancy can only be brought to an end on the grounds specified in Sch. 2 of the Housing Act 1985 (as amended) after serving a valid Notice of Seeking Possession and securing a valid outright possession order from a court. <p>Assured Short hold Tenancy</p>		
<p>Known as ASTs. These are offered as monthly tenancies that do not have a fixed term but are 'periodic' i.e. they run month to month until they are brought to an end.</p> <p>A fixed term tenancy that has been brought to an end by a valid Break Notice, or at the end of the fixed term if another tenancy is not issued, will by law become an Assured Short hold</p>	<p>Used for intermediate rent and key worker properties; properties approved for disposal to let on a short term basis; some specialist supported or extra care housing to better manage residents' changing care and support needs; guarantors for minors, and for some temporary homelessness accommodation.</p>	<p>They can be brought to an end only after the initial 6 months by serving a valid Notice Requiring Possession (s.21 HA 1988) with two months' notice of intention to terminate or at any point from the start of the tenancy if there are breaches of tenancy, by serving a Notice of Seeking Possession Housing Act 1988 (amended) Sch. 2 Grounds for Possession and obtaining a Possession Order from the court.</p>

tenancy.		
Temporary Tenancy		
These are short term contractual agreements that do not provide any security of tenure but allow occupation for a specific purpose.	Used for very specific purposes such as temporarily decanting a tenant from their usual home to another property.	They can be brought to an end by serving a valid Notice Requiring Possession (s.21 HA 1988)
Licence/Excluded Licence		
An agreement to allow occupation without exclusive possession but which is self-contained (the licensee has use of their own bathroom and cooking facilities). An Excluded Licence is where the licensee shares facilities e.g. in a hostel or for non-residential properties such as a garage.	Used where the intention is only to allow occupation on a temporary basis e.g. some very specialist short term accommodation including some supported housing, homeless hostels and refuge accommodation, and where supported housing is not self-contained; or for non-residential accommodation such as garages.	Licences can be brought to an end by serving a Notice to Quit (in the prescribed form) giving 28 days' notice to the licensee. If a licensee does not vacate the accommodation when the notice expires, a valid possession order must be obtained from the court. For Excluded licences, a Notice to Quit (NTQ) is not a legal requirement and the licensee can be excluded from the property without a court order, but the landlords' notice period must be <i>reasonable</i> . Clarion will normally serve NTQs of not less than 7 days unless there is a risk of violence or security when a Head of Service can authorise notice of less than 7 days.
Non-assured Tenancy		
These are tenancies provided under an arrangement with a local authority in respect to the discharge of the local Authority's interim duties to persons applying to it as homeless as per s209 of the Housing Act 1996.	Only used for homeless persons temporary accommodation.	They can be brought to an end with a NTQ without having to rely on any statutory grounds for possession, but the NTQ must be served within 12 months of the resident being notified that the local authority has accepted it has a duty to provide temporary accommodation.
