

November 2020

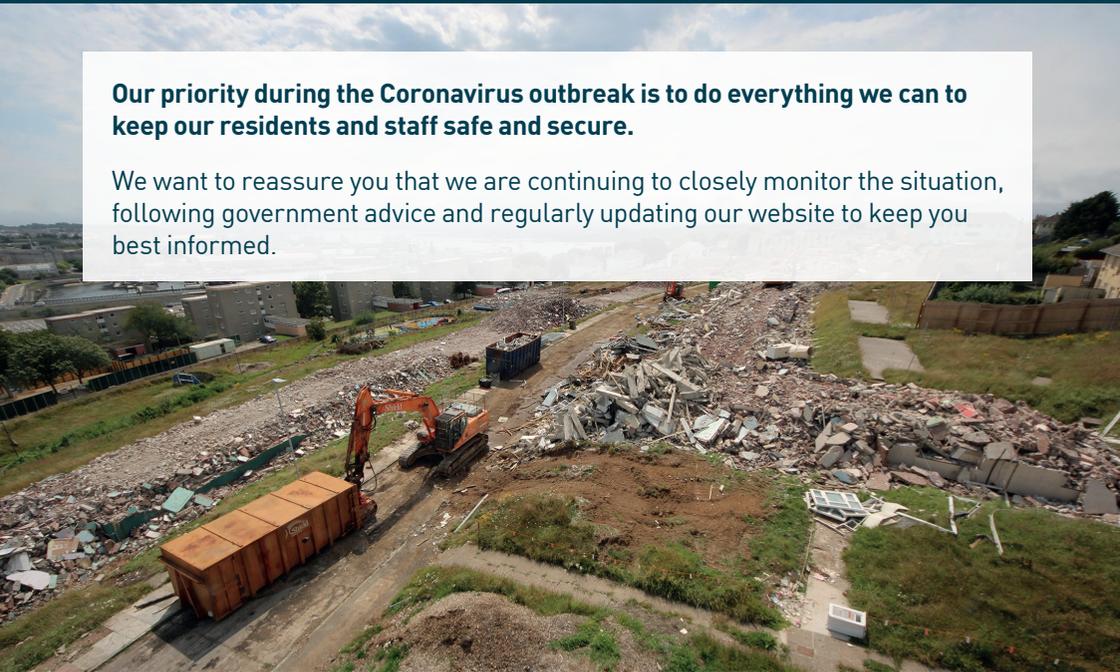

Barne Barton news

Welcome to the November edition of the newsletter.

Our priority during the Coronavirus outbreak is to do everything we can to keep our residents and staff safe and secure.

We want to reassure you that we are continuing to closely monitor the situation, following government advice and regularly updating our website to keep you best informed.

New contractor appointed

Demolition of phase one was completed in September 2020. Clarion has now hired the building developer Mi-Space, to build the first new homes at Barne Barton. Their vision is to help sustain and create communities that work well now and in the future.

Meet the contractor

Date: Thursday 12 November **Time:** 6pm

This is a chance to meet with some of the team and ask them any questions you might have.

If you would like to attend the meeting being held on zoom please email barnebartonregen@clarionhg.com to book your place.

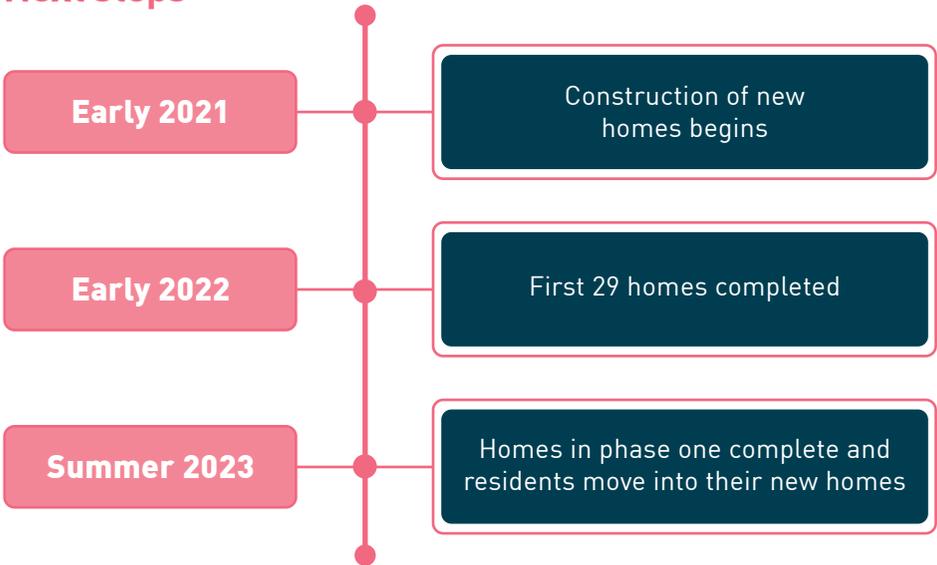

Help us keep you safe

Please don't enter a construction area for any reason. We understand that construction sites can be interesting places, especially for young children, but they are also very dangerous. Help us to keep you and your family safe.

Windows/Peep hole windows have been provided along the hoarding to let you see into the construction site.

Keep up to date with construction progress by visiting

Next steps

Improvement works on phase two

You may have noticed some scaffolding going up on homes in phase two. This is to carry out some improvement works for residents who are living there until they are able to move into their new homes in a couple of years time.

If you have any questions about these works please call the **Resident Liaison** number **07500 100440**.

Looking into the future: An artists impression of how Barne Barton will look after regeneration
