

# Summer Update

## Redevelopment of the Sutton Estate

Further to the latest Chelsea Chat edition sent to you in July, we would like to update you on the progress that has been made over the summer, following our consultation events in June.

### Sutton Estate Redevelopment Steering Group

We are very pleased that twenty residents, including a representative from CATs, have joined our Sutton Estate Redevelopment Steering Group, which is chaired by Danny Griffiths. The Group will represent Estate residents and get involved with various aspects of the proposals. The next Steering Group meeting will take place in September, where we intend to discuss ideas for the new community gardens and facilities!

### Engaging with RBKC

Over the last few weeks we have met with planners at RBKC to work through the proposals as they progress. Members of the redevelopment project team also met with two of the Stanley ward councillors – Cllr Sir Merrick Cockell and Cllr William Pascall – on 31 July to keep them updated on the latest plans.

### Consultation

Before submitting a planning application, we will be holding a second consultation event in the Autumn to gather your feedback on the proposals and progress made by Affinity Sutton. If there is anything in particular that you would like us to address at this next event, please let us know (contact details are provided below).

### Get in touch

If you have any comments or queries, our team is available throughout the summer so do get in touch. Please feel free to contact us by:
